What to Expect...

Here's what to expect during your first visit:

1 Personalized Consultation

We'll discuss your hair goals, preferences, and concerns to create a customized plan—whether it's grey blending, dimensional color, or seamless extensions.

2 Beverage & Comfort

Enjoy a latte, wine, Diet Coke, water, or a snack from our refreshment bar while you relax.

3 Customized Hair Service

Your color, extensions, or treatment will be tailored to your lifestyle and hair needs.

4 One-on-One Experience

You'll receive personalized attention from either me by myself or me and my co-stylist, Sophia, in a private boutique setting, ensuring a relaxing and enjoyable experience.

We rotate a variety of coffee syrups and flavors, so there's always something new to enjoy. Customize your drink with oat, almond, or whole milk—sip, relax, and enjoy your visit!

Parking & Arrival

🚗 Parking:

We have four designated spots located on the left side near the cement wall in the back alley. Please park in one of these spaces when you arrive.

🕒 Arrival Guidelines:

✓ Please do not enter the salon more than 5 minutes before your appointment time, as I may still be with another client.

✓ If anything changes with your appointment, you will receive a text from me beforehand.

✓ If you arrive early and would like to start sooner, you can wait in your car and send me a text. If I'm available, I'll let you know when you can come in! **614-594-9191**

Please note: This phone number is for arrival notifications only if you're early. For any appointment changes or rescheduling, please email hairbyniklo@gmail.com.
